

RFP-BH-20-01

The following question was sent to TCHSA-BH on Tuesday October 13, 2020

Question from Victor Treatment Centers:

Will a proposal with a higher than 10% indirect rate be considered, or will it be automatically disqualified?

Answer from TCHSA-BH:

We will not disqualify a proposal if it has an administrative rate higher than 10%. As the process moves forward, we would have a good faith discussion on the administrative rate but can't guarantee that we could negotiate higher than 10%.

Do you have additional questions?
