NOVEMBER 1ST NARCAN AWARENESS

Presented twice 10-12pm and 1-3pm Adult and Youth invited.

BE PREPARED WITH NARCAN® NASAL SPRAY

Having NARCAN® Nasal Spray in your home's first aid kit or carrying it with you on the go can make a difference and save lives. Northern Valley Indian Health will be presenting this training. Please join us for some great information regarding the product and how to administer it.
